

Dear Friends and Supporters,

On Saturday - August 26, 2023, the Austin Child Guidance Center (ACGC) will be hosting the 10th Annual Austin Originals Benefit Concert at The Riley. This year's event is chaired by Livia Pope with Micki Pickering as the event's auctioneer.

Monies raised provide support to ACGC—a non-profit organization that provides accessible, high quality mental health services to children and their families to empower them to thrive in childhood and beyond.

Becoming an Austin Originals Auction Donor is an excellent opportunity to promote your company and show your support for making affordable, quality mental health care accessible to underserved children. Funds generated will allow Austin Child Guidance Center to continue our important work in the community. When lower-income Central Texas children experience difficult emotional issues, Austin Child Guidance Center is there to guide them through: depression, anxiety, abuse, neglect, ADHD, bullying and trauma. Childhood behavioral health issues can have devastating consequences on children and our community, which contribute to academic failure, substance abuse, poverty into adulthood and juvenile delinquency.

Please join us in raising awareness and critical funding for affordable, quality mental health care for children and their families. It will be a fantastic evening in support of a great cause. We have enclosed information regarding event sponsorship, program advertisement and ticket sales. Please feel free to contact me by phone or email if you have any questions. We look forward to your support!

Sincerely,

**Brittany Golden**
