Austin Child Guidance Center provides high-quality mental health services for children and families. Updated service fees are effective April 1, 2024. If you have any questions about these fees, please call our front desk at 512-451-2242. We look forward to serving your family.

No one is turned away due to being unable to pay. We offer a sliding fee scale. Survivors of crime may receive therapy services at no cost. Services provided at no cost are covered by grants and fundraising activities. ACGC may offer a payment schedule to make sure costs do not keep you from accessing services. Please call our front desk at 512-451-2242 for more information.

¹ACGC does not usually take part in the legal process. But, if ACGC is required to be involved in court matters, the fee is \$265/hr.

²If you are more than 15 minutes late for an appointment and do not call to let us know, ACGC reserves the right to charge a \$25 late fee.

³If you do not contact us and miss your session (a "no-show"), ACGC reserves the right to charge a \$100 No Show fee.
